

Lost and Found

<https://www.youtube.com/watch?v=cRAAQ8EWzig>

Personal social and emotional development

The Boy helps the penguin- can you think of someone to help?
Perhaps you could help a parent with a job around the house for example, wash up, dry up, Hoover or even make your bed and tidy up your toys. You could even draw a nice picture to send to a grandparent. Upload a photo of you helping someone to your Tapestry Learning Journey.

Expressive arts and design

Can you make a boat that the Boy and the Penguin could sail in? What could you use for oars, make sure its big enough for them both. How will you decorate your boat, will you use your favourite colours and patterns or will you make it in camouflage to escape predators in the ocean?
Perhaps you could draw a plan of your boat before you make it. Share your boat pictures or boats with me on Tapestry so we can show your friends.

Physical Development

Can you walk like a penguin? How do they move?
Watch and join in with the Penguin fitness routine-
<https://www.youtube.com/watch?v=jpNs19ibY0Q>
Remember to feel your heart both before and after exercise- can you tell me what happened, did your heart beat faster after the exercise or before??

Literacy

Phonics- Can you join in with the letters and sounds with an interactive video?

<https://www.youtube.com/watch?v=siVkXoEQDNc>

How many sounds did you know??

Free phonic websites- Phonics Bloom and Phonics Play.

Penguin starts with a P- is there anything else you can find in the story that starts with the sound P.

Literacy- Using the attached template can you write a book review about the story? You don't need to do it in one go but in small steps across the week.

Then label the penguin using the attached picture.

Maths

Using the template cut out and make a penguin-what shapes can you see? Discuss with your adult the number of sides and corners that each shape has.

Feed the Penguin-play the game where you guess the number by just looking at the fish, then count the dots to see if you got the number right! Feed the penguin with the fish.

Understanding the world

Show the children where the Antarctic is on a map or globe. Provide non-fiction books or internet sites about the polar regions to encourage children to learn more about the Antarctic and other animals that live there.

Can you learn three facts about Penguins and upload this on to Tapestry. If you have Disney Plus You can watch the Penguins

<https://www.disneyplus.com/en-gb/movies/disneynature-penguins/1DRN706fN3sy>

Or watch this short clip about cheeky penguin thieves!

<https://www.youtube.com/watch?v=MlbxRBfGAR0>

Expressive arts and design

Using paint make a penguin piece of art- it can be a penguin on an iceberg or swimming in the frozen waters- add a bit of glitter if you have it.

Learn how to draw a penguin by following instructions (template attached) or follow this YouTube video

<https://www.youtube.com/watch?v=31Fkc9f1laA> .
