

DT

Following the theme of the Maya, we will investigate chocolate and the process of designing, making and even tasting.

History

We will focus on The Maya Civilisation- the achievements of the earliest civilisations. A non-European society that provides contrast with British history.

Maths

This term we will be deepening our understanding across all four functions. Starting with place value, we will then lead into addition and subtraction before finishing with multiplication and division. We will be learning a variety of techniques and strategies to help us.

Geography

Class 3 will be developing their map reading skills this term by locating continents, oceans and countries, the equator, tropics, arctic and Antarctica.

Computing

The children will be learning about coding and designing, as well as the importance of online safety.

Music

We will look at a broad range of musical themes this term, based around the theory and practical elements. We focus on rhythm, tone, pitch and tempo.

PSHE

PSHE will focus on relationships and difference. It will cover friendships, community, looking after people, rules and celebrating our differences.

French

French lessons will be based on greetings, numbers, colours and Christmas in France.

R.E

In RE will be asking the questions "what do Christians learn from the creation story" well as what is Trinity?"

Reading

This term we will become reading VIPERS. Through understanding Vocabulary, Inferring, Predicting, Explaining, Retrieving and Summarising our books.

PE

In PE we will be developing our ball handling skills through a wide range of throwing and catching. We will also be creating dance routines using different themes.

Science

This term our focus will be on Animals, including humans. We will cover a broad range of topics, from being healthy, to the skeleton and muscles in the body.

English

We will be writing poetry for performance as well as writing descriptive poetry. We will gather information to write Non-Chronological reports- about the Mayans and look at Playscripts, Narrative and description using our class book, Charlie and the Chocolate Factory.

Art

We cover a wide range of art in term 1. Painting- Colour mixing, abstract artist and orphism. Autumn colours and designing a Chocolate room

Extra Curricular

The children will be occasionally be attending gardening club on Friday afternoons to hone in on their horticultural skills.

MARVELLOUS MAYANS
