

Use_{the}Force!

English

We will be looking at a variety of English skills. We will focus on Fables, writing a variety of poetry and a Newspaper Report. Finally, we will write a narrative based on our class book, The Iron Man.

Maths

We will look at Multiplication, Length, Perimeter and Fractions.

Music

The children will be having a look into Rock and Roll – alongside our DT unit building musical instruments

Reading

Our books this term will feature, Iron Man (Ted Hughes), Cogheart (Peter Bunzl) and Wonder (R.J. Palacio).

Geography

This term the children will be deepening their understanding of the weather and temperature (including climates). They will also look at how the water cycle works.

French

This term the children will focus on Colours, Clothing and Numbers.

PSHE

We will be learning about staying safe and rights and responsibilities.

Art

We will be learning about Collage, Symmetry, and the paintings of LS Lowry.

R.E

This term we will ask and discuss the questions: What does it mean to be a Hindu in Britain today? Also, Why do Christians call the day Jesus died 'Good Friday'.

Science

Class science this term will be "Good Vibrations" in which they will discover sounds and the ways in which sounds are made, linking to our musical instruments unit. We will also be investigating the forces of magnets and how they are used.

P.E

This term we will be focussed on improving our basic striking and fielding skills. The children will also be playing Netball and Badminton.

DT

This term we will be designing, sketching, building and evaluating a musical instrument.

Computing

The children will be improving their digital literacy by becoming online detectives and deepening their IT skills by becoming 'Digitally Awesome'.
