Dear Little Houghton CE Primary School Anti-Bullying Ambassadors,

We are absolutely delighted to be writing to you today, to congratulate you on earning your Anti-Bullying Ambassador COMMUNITY ACTION BADGE\_

Through the evidence that you have provided, we have been impressed and overwhelmed to see how much hard work you have put into the Anti-Bullying campaign in your school over the last few months. This achievement is a testament of how hard you work and you should be very proud of what you, as a whole team, have accomplished to date.

You are being awarded the Anti-Bullying Ambassador Community Action Badge because you have shown:

- 1- Your commitment to encouraging other schools in your area to engage in anti-bullying work.
- 2- Your dedication to engaging with different groups in the school community, such as school governors.
- 3- Your enthusiasm by spreading your positivity-focused work to the wider community, including your local church through the cross of hands project.
- 4- Your commitment to reaching the wider community with your anti-bullying work by creating posters for the village notice board.
- 5- Your dedication to creating an anti-bullying policy which is understood and accessible to your entire school community.

#### A huge well done!

We hope that this achievement will serve as a celebration of all the creative and compassionate actions that you have undertaken to decrease bullying and to promote a united, positive culture in your school. Do make sure that you organise an assembly or event to announce your success and to celebrate with your whole school.

Going forward, we hope you will join us for the next stage in your Anti-Bullying Ambassador journey. Please see our website for more information about the other Anti-Bullying Ambassador Badges that you can earn. We will be in contact with you to organise your next catch-up, as this will be the perfect opportunity for you to discuss your progress and present your evidence for future badges.

We hope you will consider this huge mark of achievement and that you have pride and satisfaction in the knowledge that your commitment and dedication to Anti-Bullying work, is improving and benefiting the lives of those around you every day. We are incredibly proud and inspired by the work that you do every day.

Please expect your Community Action Badges in the post soon; wear them with pride!  
We look forward to staying in touch with you in the coming months.

Yours sincerely,  
Imogen & Lily
